De Valera Orders Attacks
on Civilians to Stop;
Truce Is Near.

(By the Associated Press)
LONDON, July 9.—Premier Lloyd-George, it was authoritatively stated this afternoon, will accept Eamonn De Valera's proposal of yesterday and will meet the republican leader to discuss the basis for a formal conference. The meeting will probably occur next week.

The only thing remaining is the fixing of the date which Mr. Lloyd-George will name in his reply to Mr. De Valera's letter.

The government is subordinating all other problems of state to the issues of the Irish peace conference and is bending every effort toward preparations for it.

Attacks to Cease.
The Irish office stated this afternoon that De Valera had issued instructions to his supporters to cease all attacks upon civilians and to discontinue military operations. The instructions were also to prohibit the use of arms, to abstain from interference with public or private property and to discontinue and prevent activities likely to cause disturbance of the peace which might necessitate military interference. The instructions, it was added, are to be effective Monday noon.

An air of growing optimism pervaded No. 10 Downing street, the premier's official residence, and the Irish office where the belief was freely voiced that there is every reason to hope the bloodshed in Ireland is near an end.

It is understood that the details of the forthcoming conference is undoubtedly the chief topic over the week end at Chequers Court, where Mr. Lloyd-George is entertaining the premiers of the dominion.

Irish Leader in London.
Earl Middleton, south Ireland unionist leader, reached London this morning after having traveled nearly all night from Dublin, and was almost immediately received in audience by King George. It is understood that he reported to the king the details of yesterday's momentous conference at Dublin.

The whole country this morning is seething with the new developments, with the Irish situation the most absorbing topic.

DUBLIN PAVING WAY
FOR A LASTING PEACE

DUBLIN, July 9.—The government here in order to co-operate in providing an atmosphere, it is explained, in which peace may again be possible, has given orders as follows:
"All search by the military and police shall cease."
"Military activity shall be restricted to the support of the police in their duty."
"The curfew restrictions shall be removed."
"The disposition of reinforcements shall be suspended."
"Police functions in Dublin shall be carried on by the metropolitan police."

British Welcome Truce.
LONDON, July 9.—The fact that the truce between the crown forces in Ireland and the Sinn Fein would be effective at noon Monday was considered certain here today.

The result of the conference here in Dublin at which De Valera decided to meet Lloyd-George was announced so late last evening that several of this morning's newspapers did not comment on the new development. The news was everywhere considered as being of great importance, however, and the few editorials which appeared welcomed with one exception, the Irish truce with great cordiality. The hope was expressed that it might lead to permanent peace in Ireland.

Belfast Is Cold.
BELFAST, July 9.—The new development in Irish politics was coldly received in Belfast. "Trucking to the murder gang," the Belfast News-Letter captions its editorial on the truce, saying that there are complications in the Downing street truce announcement which are disquieting to "all loyal subjects of the king and repulsive to all honorable men."

National Unity Urged
(By the Associated Press)
DUBLIN, July 9.—Eamonn de Valera, the republican leader, issued a manifesto this afternoon urging national unity during the peace negotiations, the order to be effective from noon July 11, was issued this evening by Richard Mulcahy, chief of staff of the Irish republican army.

A general order directing the suspension of hostilities during the peace negotiations, the order to be effective from noon July 11, was issued this evening by Richard Mulcahy, chief of staff of the Irish republican army.

Fair Weather Coming.
(By the Associated Press)
WASHINGTON, July 9.—Weather predictions for the week beginning Monday are: Upper Mississippi and lower Missouri valleys, generally fair with temperature near normal.

State Crops in Better Condition Than Was Predicted Month Ago Late Word From Agricultural Head

(By the Associated Press)

OKLAHOMA CITY, July 9.—Crops of the state were generally in good condition for the month of June, despite much rain and unfavorable weather, which greatly aided the wheat, corn and cotton conditions, according to the monthly report of Oklahoma crops issued here today by the bureau of agriculture and the federal bureau of estimates, co-operating. Some instances of poor stands in the cotton crop are reported, while the wheat and corn conditions are almost normal.

All of the soft wheat had been harvested by July 1, says the report, and more than 90 percent of the hard variety had been cut on that date. The rains during the latter part of May and in early June improved the condition of the growing crop and better yields have been made than expected a month ago, according to the summary.

"Since harvest began, continued rains have injured fields that could not be cut owing to wet soil or lodging and much has also sprouted in the shock," declares the report, "but the average for the whole wheat section is higher than on June 1."

Last year at this time 7 percent of the 1920 crop remained on farms due largely to the holding movement for higher prices, the report states, while on May 1, this year, 10 percent remained on the farms. The July situation is expected to be near that of 1920. With the exception of 1920, the 4 percent remaining on farms, July 1, 1916, was the largest hold-over in recent years.

The cotton crop is reported as generally good with a small im-

provement in condition during the month of June. The condition on May 25 was 74 percent and 75 percent on June 25. The 10-year average on May 25 has been 70 percent with an increase to 80 percent on June 25.

Stands Generally Good
"There are instances all over the state of poor stands but generally they are good and the plants have made rapid growth," the report says. "There are cases of uneven stands due to dry soil, which delayed germination of a portion of the seed, making fields irregular and of two different ages. Where the weather permitted fields to be kept clean, the condition of the crop borders on normal."

The boll weevil has made its appearance in a number of counties and is reported to be damaging the crop, the report states.

"The condition of the corn crop is high all over the state with in eight counties it is now normal or above," continues the report. "The acreage planted this year is in excess of that planted last year, with the central, eastern, southern and southeastern sections leading in added acreage."

The July 1 condition of the corn crop in 1916, the best of recent years in point of yield, was 93 percent, and in 1906, the record year with an average yield of 33 bushels, the July 1 condition was 92 percent, according to the summary.

"Not all of the oats have been harvested yet and a very considerable acreage was not cut for grain," concludes the report. "Broom corn again has suffered a material acreage decrease and the planting of the grain sorghums is less than last year."

DECLARE TRADE TRIPS SUCCESS

Ada Boosters End Three
Day Attempt to Unify
County.

Allen opened her heart to the twelve car loads of Ada traders boosters who visited that city Friday, the third and last day of a series of three trips to neighboring towns of the county. Those who have made all three trips were high in their praise for the treatment given them by Allen, declaring that an unusually hearty welcome was given them there.

Leaving Ada at an early hour, twelve cars of boosters went to Francis where a large crowd awaited them. Announcements, visits to business men, and distributing of bills and souvenirs and band music were carried out on schedule time.

The road to Allen was rough and dusty.

Rushing up the main thoroughfare of Allen, with clouds of dust flying, car horns blaring and shouting their greetings to the citizens of that town, the long train of boosters was met by a large percent of the town population. Music was furnished for the band. Following the music an address of welcome was made by Col. C. E. Davis, formerly of Ada. This talk was responded to by M. F. Manville after which all were invited to drive over the city and to look over the Allen refinery.

Inspect Refinery
Some time was spent in looking over the refinery, watching it in operation and seeing the manufacture of gasoline. On returning to the city, dinner was served at the Holmes Cafe. After dinner, speeches were made, with Col. Davis as toastmaster. Men from both Ada and Allen were called on to talk.

Ada boosters were guests of Allen at the Allen-Frisco ball game. About four o'clock the boosters started home by way of Steedman. On arriving at Steedman it was found that the large Steedman crowd which had gathered to welcome them had become discouraged by the delay and gone home. Announcements were made there concerning the Ada Trades Day here July 11.

Included in the party from Ada were Professors B. A. Pratt and Hugh Norris of the Normal who were advertising the Pontotoc county fair and township fairs to be held this fall. A late start caused them to miss the main party until they reached Allen.

Many Towns Included
Practically every town in the county and neighboring counties as far north as the river, west to Stratford, south to Sulphur, Broome and Tupelo, and east to Allen were visited during the three days booster trips. The first group went Wednesday, visiting southwestern towns, the second group Thursday, visiting southern towns and the third group Friday.

The keynote of these trips was to afford a better opportunity for Ada merchants to become better acquainted with merchants in neighboring towns, induce others to become more interested in Pontotoc county and Ada, and to promote a stronger friendship between the towns of the county. Several who have been directly connected with the Merchants Trade association expressed themselves as being highly pleased with the success of the excursions and were of the opinion that much good had been accomplished.

On account of the extension of the time spent in Allen, Lula was omitted from the program, because roads leading there were reported in bad condition.

1000 War Planes for France Proposed in a Bill to Deputies

(By the Associated Press)

PARIS, July 9.—A fleet of 1,000 airplanes, suitable for war, is proposed in a bill now before the Chamber of Deputies. It is planned to establish and operate these war craft commercially so that the cost to the government would be little if any more than under its present policy.

The author of the measure, Deputy Paul Benazet, called attention to the large and expensive aviation personnel of the government "which consumes but does not produce."

Strongly advocating the creation of a great, protecting aerial force, M. Benazet, urged that the government create a corporation to operate commercially, transporting passengers and freight and establishing air postal routes, thus training aviators, developing aviation, cementing relations with the colonies and meantime keeping the fleet ready for immediate conversion to war purposes.

Trade Boosters Found Life Not So Dead When Silver Tongued Orators Show Their Talent After Dinner

A jolly crowd of Ada boosters composed the Friday delegation on the Trades Day trip to neighboring towns. No opportunity was missed by any member of the party to have some fun and the entire affair was enjoyable in spite of bumps and dusty roads.

"Mutt and Jeff" were present. Big Hugh Norris and little B. A. Pratt, both hailing from the dignified group of pedagogs at the Normal, were in evidence during the entire day. "Jeff" was inclined to make stump speeches at every opportunity. "Mutt" diligently denied himself the glory of rattling his tongue.

Considerable speaking talent was uncovered in the after-luncheon speeches. Among the noted speakers were Byron Sledge, Russell Bond, W. N. Mays, W. J. Coffman and J. B. Cole.

Prof. W. A. Hill, director of the band, was inclined to sleep on the return home. This was denied him however, not by his companions but by the never ending string of bumps which ornament some of Pontotoc county's highway.

C. P. Penrose was possibly one of the best when it came to eating. His ability to dispose of food was proven when a delicious repast of chicken was set before him.

W. J. Coffman seemed highly impressed at the ball game and occasionally lost himself in a fit of yelling for his favorite team. The boys of the band who were fortunate enough to share his car with him were entertained by an unending amount of jokes of a funny nature.

Langford Shaw, Byron Sledge,

and Sam Wellmick spent the day in having a good time in general. Mr. Shaw's new Dodge roadster was a never ending delight to them and they were wont to show how it could "step." First in every place visited, first to lead, first to start the fun, and first home, they probably enjoyed the trip more than any others.

C. D. Coon was also a conspicuous member of the party.

W. M. Peg covered himself with glory in a glowing speech to the citizens of Francis. He also distinguished himself in Allen, his former home.

BRITAIN HERALDS NEWS
AS EQUAL TO ARMISTICE

(By the Associated Press)

LONDON, July 9.—Not since that memorable day when the armistice was declared, ending the great war, has any event so stirred the United Kingdom as the conclusion of a truce in the Irish warfare, definitely settled today by issuance of orders to make it effective.

Simultaneously came the announcement that Eamonn de Valera the republican leader, and Mr. Lloyd George, the British premier, would meet, probably next week, to confer, with a view to settling the centuries old difficulty.

Law Held As Broad
(By the Associated Press)

TOPEKA, July 9.—The law establishing the court of industrial relations acts on both employers and employees, the Kansas supreme court held today in a memorandum in a wage case appealed from the industrial court by the Charles Wolfe packing company of Topeka.

COUNTY IS READY FOR LONG DOCKET

Twenty-six Criminal Cases
Listed for Monday's
Court Grind.

Twenty-six cases, practically all of which are on charges of violating the liquor laws, will confront the county court when it opens Monday its regular July grind on the criminal docket.

The court was scheduled to clean up today on a long civil docket in preparation for the criminal bill which will take practically all of next week, it is expected.

The first case set on the criminal docket is that of the state vs. Elmer Yancy, on a charge of manufacturing intoxicating liquors. Following is the rest of Monday's criminal docket with charges:

State vs. Roscoe Arnold, charged with transporting.

State vs. Claude Ollison, unlawful possession.

State vs. Henry Rogers, holding himself as an officer.

State vs. C. E. Rowlett, transporting.

State vs. George Owens, unlawful possession.

State vs. Arthur Williams, unlawful possession.

State vs. Will Freelin, unlawful possession.

State vs. J. A. Armstrong, unlawful possession.

State vs. Frank Ables, unlawful possession.

State vs. Will Large and Rowdy Rains, transporting.

State vs. Will Large and Rowdy Rains, unlawful possession.

State vs. B. H. Crandall, unlawful possession.

State vs. Jess Hays, unlawful possession.

State vs. Nelson Clark, unlawful possession.

State vs. Clarence Numbey, unlawful possession.

State vs. Will Chance, unlawful possession.

State vs. Will and Lola Chance, unlawful possession.

State vs. Gene Loyd, selling intoxicating liquor.

State vs. E. J. Bevels, selling intoxicating liquor.

State vs. Bert Bracheen, unlawful possession.

State vs. Paul Middleton, unlawful possession.

State vs. Albert Grace, unlawful possession.

State vs. Walter Winters, transporting.

State vs. Willis Jones, board by fraud.

State vs. Will Walker, board by fraud.

Oklahoma Weather
Tonight and Sunday generally fair.

DEMOCRATS FLAY TARIFF MEASURE

Party Leaders Say New
Emergency Bill Not
What Is Thought.

(By the Associated Press)

WASHINGTON, July 9.—Democratic attack on the Fordney tariff bill opened in the house today with Representative Garner of Texas, ranking democrat on the ways and means committee, who asserted that there was "not a republican in the house who can distinguish between this and the Payne-Aldrich bill."

Mr. Garner regretted the absence of Representative Kitchen of North Carolina, democratic leader, who is ill, telling the house that Kitchen would have shown the nature of the proposed law "in words that would burn so deep that the republicans would not repeat the offense." He added, however, that there was plenty of ammunition laid away among the democrats.

Representative Longworth, republican of Ohio, interrupted to ask if the Texas member had not voted for the agriculture bill last week. "I did," replied Garner, "but I did it blindly, for something to help agriculture."

Developments had convinced him, Mr. Garner said, that the emergency tariff bill was not what it was represented to be. It has failed to be of any help to agriculture since it has been operated.

ARMY BALLOONS ORDERED BUILT IS NEW ADVICE

(By the Associated Press)

AKRON, Ohio, July 9.—Closely following the announcement that the Akron rubber factories have increased their tire production to 65,000 casings and 75,000 tubes daily, the Goodyear Tire and Rubber company today announced that it has government orders for three large dirigibles and 38 observation balloons for the army and navy use.

Observation and scouting airships of 180,000 cubic feet capacity each will be used by the navy. A dirigible of similar type but special design will be delivered to the army. This airship will have a speed of 60 miles an hour, it is said.

Tire production now is 55 percent of the 1914 peak figures.

ADA SCHEDULED FOR GAME WITH CHANDLER TEAM

Chandler and Ada will mix it tomorrow on the Chandler field in their first game this season. Both teams are reported to be in fine shape and the regular line-up will be played by Ada, with Lefty Williams for mound man. The boys will go to Shawnee on the train and to Chandler from there in cars, returning to Ada Sunday night.

Several games were played by these two teams last season. Chandler getting the big end of the tilt. It is believed that Ada will have a much better chance to come out ahead in this game than ever before. A return game will be played at Ada Sunday, July 17.

U. S. CRUISERS ORDERED LEAVE MEXICAN PORTS

(By the Associated Press)

WASHINGTON, July 9.—The situation in the Mexican port of Tampico is not at this time such as necessitates the maintenance there of a naval guard to protect the American interests. This explanation was given in official circles today of the order of the return of the cruiser Cleveland and the gunboat Sacramento, now at that port, to their home stations.

FRISCO NINE DEFEATS ALLEN OLIVERS, 5 TO 3

ALLEN, Okla., July 9.—(Special)
The Frisco ball club defeated the Allen Olivers in a fast game here Friday afternoon by a score of 5 to 3. Both teams played a good game and it was a pitcher's battle throughout. It was only through the heavy hitting of Frisco, assisted by a series of errors by Allen that allowed the five scores.

A large number of Ada boosters were present at the game, having stopped over on their last trip advertising the Ada Trades Day for July 11. Music was furnished preceding the game by the Ada High school band.

Better be safe than sorry. Advertise in the News Want Ad columns. Quite an idea, eh?

John Philip Sousa.

This picture of the famous bandmaster was taken a few days ago at his summer home on Long Island, where he is taking a much needed rest.

DUBLIN PAVING WAY FOR A LASTING PEACE

DUBLIN, July 9.—The government here in order to co-operate in providing an atmosphere, it is explained, in which peace may again be possible, has given orders as follows: "All search by the military and police shall cease." "Military activity shall be restricted to the support of the police in their duty." "The curfew restrictions shall be removed." "The disposition of reinforcements shall be suspended." "Police functions in Dublin shall be carried out by the metropolitan police."

British Welcome Truce.

LONDON, July 9.—The fact that the truce between the crown forces in Ireland and the Sinn Fein would be effective at noon Monday was considered certain here today. The result of the conference here in Dublin at which De Valera decided to meet Lloyd-George was announced so late last evening that several of this morning's newspapers did not comment on the new development. The news was everywhere considered as being of great importance, however, and the few editorials which appeared welcomed with one exception, the Irish truce with great cordiality. The hope was expressed that it might lead to permanent peace in Erin.

Belfast Is Cold.

BELFAST, July 9.—The new development in Irish politics was coldly received in Belfast. "Trunking to the murder gang," the Belfast News-Letter captions its editorial on the truce, saying that there are complications in the Downing street truce announcement which are disquieting to "all loyal subjects of the king and repulsive to all honorable men."

National Unity Urged

(By the Associated Press)
DUBLIN, July 9.—Eamon de Valera, the republican leader, issued a manifesto this afternoon urging national unity during the peace negotiations with "impending determination to endure all that is still necessary." With this is coupled warning against "undue confidence" in the result. A general order directing the suspension of hostilities during the peace negotiations, the order to be effective from noon July 11, was issued this evening by Richard Mulcahy, chief of staff of the Irish republican army.

State Crops in Better Condition Than Was Predicted Month Ago Late Word From Agricultural Head

(By the Associated Press)
OKLAHOMA CITY, July 9.—Crops of the state were generally in good condition for the month of June, despite much rain and unfavorable weather, which greatly aided the wheat, corn and cotton conditions, according to the monthly report of Oklahoma crops issued here today by the bureau of agriculture and the federal bureau of estimates, co-operating. Some instances of poor stands in the cotton crop are reported, while the wheat and corn conditions are almost normal. All of the soft wheat had been harvested by July 1, says the report, and more than 90 percent of the hard variety had begun cut on that date. The rains during the latter part of May and in early June improved the condition of the growing crop and better yields have been made than expected a month ago, according to the summary. Since harvest began, continued rains have injured fields that could not be cut owing to wet soil or lodging and much has also sprouted in the shock, declares the report, "but the average for the whole wheat section is higher than on June 1." Last year at this time 7 percent of the 1920 crop remained on farms due largely to the holding movement for higher prices, the report states, while on May 1, this year, 10 percent remained on the farms. The July situation is expected to be near that of 1920. With the exception of 1920, the 4 percent remaining on farms, July 1, 1916, was the largest hold-over in recent years. The cotton crop is reported as generally good with a small improvement in condition during the month of June. The condition on May 25 was 74 percent and 75 percent on June 25. The 10-year average on May 25 has been 70 percent, with an increase to 80 percent on June 25. Stands Generally Good. "There are instances all over the state of poor stands but generally they are good and the plants have made rapid growth," the report says. "There are cases of uneven stands due to dry soil, which delayed germination of a portion of the seed, making fields irregular and of two different ages. Where the weather permitted fields to be kept clean, the condition of the crop borders on normal." The boll weevil has made its appearance in a number of counties and is reported to be damaging the crop, the report states. "The condition of the corn crop is high all over the state while in eight counties it is now normal or above," continues the report. "The acreage planted this year is in excess of that planted last year, with the central, eastern southern and southeastern sections leading in added acreage." The July 1 condition of the corn crop in 1920, the best of recent years in point of yield, was 93 percent, and in 1906, the record year with an average yield of 33 bushels, the July condition was 92 percent, according to the summary. "Not all of the oats have been harvested yet and a very considerable acreage will not be cut for grain," concludes the report. "Broom corn again has suffered a material acreage decrease and the planting of the grain sorghums is less than last year."

ARMY REDUCTION PLAN IS DRAWN

MANY CREEDS ARE TAGGED AS FALSE

Delay Shown as "Devil's
Masterpiece" by Ada
Pastor.

Discussing "The Devil's Masterpiece" in his sermon at the Oak Avenue Baptist church last night.

(By the Associated Press)
WASHINGTON, July 9.—Some army divisions may be disbanded, others skeletonized, and numbers of divisions merged, Secretary Weeks said today in discussing methods of reducing the enlisted ranks of the army from approximately 200,000 to 150,000 men as directed by congress. Tentative plans for the reduction have already been drawn by general staff, the secretary said, although these have not proceeded to the point where they have decided as to what units will be disbanded. It is estimated that six of the military encampments constructed during the war and still maintained as army posts might be abandoned in the reducing process. The ones to be so affected, however, are not decided on and probably will not be until recommendations are submitted by a congressional committee investigating the subject. In any circumstances, it is said that the army will retain the title to the land water and sewerage systems of the camps so they can be made available without delay in case of emergency.

Local Veterans to Profit by \$50,000 Fund for Emergency

With the new \$50,000 state fund now available, since July 1, the Red Cross is able to extend far more aid to suffering former service men, a report this morning by Mrs. Orville Snead, head of the local chapter, indicated. This fund is for the aid of those who are willing for pay to begin at once, she explained. It is merely a temporary aid grant and is used only until compensation starts. This fund is expected to be a boon to many former service men in this part of the county, Mrs. Snead said. Disabled former service men are being sent steadily to the government hospitals, it is said. Especially is this true of those whose lungs are just now breaking down as a result of their service. At present the boys in this county have transportation to the hospital at Houston, Texas, according to Mrs. Snead.

Jack Johnson IS GIVEN CUT IN JAIL TERM

(By the Associated Press)
LEAVENWORTH, Kan., July 9.—Jack Johnson, former heavyweight pugilist champion, was released from Leavenworth federal prison here shortly before ten o'clock this morning after serving ten months of a year sentence for violation of the Mann act. Jack Johnson's sentence read one year but he was given "good time" for not being a troublesome prisoner. A fine of \$1,000 which had to be paid before he could be released today was paid yesterday. Ludelle Cameron Johnson, white, wife of the former champion, arrived yesterday from Chicago to be with him on his release.

DECLARE TRADE TRIPS SUCCESS

On arriving at Steedman it was found that the large Steedman crowd which had gathered to welcome them had become discouraged by the delay and gone home. Announcements were made there concerning the Ada Trades Day here July 11. Included in the party from Ada were Professors B. A. Pratt and Hugh Norris of the Normal who were advertising the Pontotoc county fair and township fairs to be held this fall. A late start caused them to miss the main party until they reached Allen. Many Towns Included. Practically every town in the county and neighboring counties as far north as the river, west to Stratford, south to Sulphur, Brocade and Tupelo, and east to Allen were visited during the three days booster trips. The first group went Wednesday, visiting southwestern towns, the second group Thursday, visiting southern towns and the third group Friday. The keynote of these trips was to afford a better opportunity for Ada merchants to become better acquainted with merchants in neighboring towns, induce others to become more interested in Pontotoc county and Ada, and to promote a stronger friendship between the towns of the county. Several who have been directly connected with the Merchants Trade association expressed themselves as being highly pleased with the success of the excursions and were of the opinion that much good had been accomplished. On account of the extension of the time spent in Allen, Lula was omitted from the program, because roads leading there were reported in bad condition.

COUNTY IS READY FOR LONG DOCKET

Twenty-six Criminal Cases
Listed for Monday's
Court Grind.

Twenty-six cases, practically all of which are on charges of violating the liquor laws, will confront the county court when it opens Monday its regular July grind on the criminal docket. The court was scheduled to clean up today on a long civil docket in preparation for the criminal bill which will take practically all of next week. The first case set on the criminal docket is that of the state vs. Elmer Yansey, on a charge of manufacturing intoxicating liquors. Following is the rest of Monday's criminal docket with charges: State vs. Roscoe Arnold, charged with transporting. State vs. Claude Ollison, unlawful possession. State vs. Henry Rogers, holding himself as an officer. State vs. C. E. Rowlett, transporting. State vs. George Owens, unlawful possession. State vs. Arthur Williams, unlawful possession. State vs. Will Freelin, unlawful possession. State vs. J. A. Armstrong, unlawful possession. State vs. Frank Ables, unlawful possession. State vs. Will Large and Rowdy Rains, transporting. State vs. Will Large and Rowdy Rains, unlawful possession. State vs. E. H. Crandall, unlawful possession. State vs. Jess Hays, unlawful possession. State vs. Nelson Clark, unlawful possession. State vs. Clarence Numbey, unlawful possession. State vs. Will Chance, unlawful possession. State vs. Will and Lola Chance, unlawful possession. State vs. Gene Loyd, selling intoxicating liquor. State vs. E. J. Bevels, selling intoxicating liquor. State vs. Bert Bracheen, unlawful possession. State vs. Paul Middleton, unlawful possession. State vs. Albert Grace, unlawful possession. State vs. Walter Winters, transporting. State vs. Willis Jones, board by fraud. State vs. Will Walker, board by fraud. Oklahoma Weather. Tonight and Sunday generally fair.

1000 War Planes for France Proposed in a Bill to Deputies

(By the Associated Press)
PARIS, July 9.—A fleet of 1,000 airplanes, suitable for war, is proposed in a bill now before the Chamber of Deputies. It is planned to establish and operate these war craft commercially so that the cost to the government would be little if any more than under its present policy. The author of the measure, Deputy Paul Benazet, called attention to the large and expensive aviation personnel of the government "which consumes but does not produce." Strongly advocating the creation of a great, protecting aerial force, M. Benazet, urged that the government create a corporation to operate commercially, transporting passengers and freight and establishing air postal routes, thus training aviators, developing aviation, cementing relations with the colonies and meantime keeping the fleet ready for immediate conversion to war purposes.

Trade Boosters Found Life Not So Dead When Silver Tongued Orators Show Their Talent After Dinner

A jolly crowd of Ada boosters composed the Friday delegation on the Trades Day trip to neighboring towns. No opportunity was missed by any member of the party to have some fun and the entire affair was enjoyable in spite of bumps and dusty roads. "Mutt and Jeff" were present. Big Hugh Norris and Little B. A. Pratt, both hailing from the dignified group of pedagogs at the Normal, were in evidence during the entire day. "Jeff" was inclined to make stump speeches at every opportunity. "Mutt" diligently denied himself the glory of rattling his tongue. Considerable speaking talent was uncovered in the after-luncheon speeches. Among the noted speakers were Byron Sledge, Russell Boud, W. N. Mays, W. J. Coffman and J. B. Cole. Prof. W. A. Hill, director of the band, was inclined to sleep on the return home. This was denied him, however, not by his companions but by the never ending string of bumps which ornament some of Pontotoc county's highway. C. P. Penrose was possibly one of the best when it came to eating. His ability to dispose of food was proven when a delicious repast of chicken was set before him. W. J. Coffman seemed highly impressed at the ball game and occasionally lost himself in a fit of yelling for his favorite team. The boys of the band who were fortunate enough to share his car with him were entertained by a funny nature. Langford Shaw, Byron Sledge, Inspect Refinery. Some time was spent in looking over the refinery, watching it in operation and seeing the manufacture of gasoline. On returning to the city, dinner was served at the Holmes Cafe. After dinner, speeches were made, with Col. Davis as toastmaster. Men from both Ada and Allen were called on to talk. Ada boosters were guests of Allen at the Allen-Frisco ball game. About four o'clock the boosters started home by way of Steedman. On arriving at Steedman it was found that the large Steedman crowd which had gathered to welcome them had become discouraged by the delay and gone home. Announcements were made there concerning the Ada Trades Day here July 11. Included in the party from Ada were Professors B. A. Pratt and Hugh Norris of the Normal who were advertising the Pontotoc county fair and township fairs to be held this fall. A late start caused them to miss the main party until they reached Allen. Many Towns Included. HARDING TALKS ON RAIL ISSUE

President Confers With Ad-
visors on Question of
Advances.

(By the Associated Press)
WASHINGTON, July 9.—President Harding has set aside an hour today for the discussion of the railroad situation with Secretaries Mellon and Hoover, Chairman Clark, of the Interstate commerce commission, and director general Davis, of the railroad administration. Negotiations between the railroads and the treasury department under which the government would advance \$500,000,000 to their credit on account of earnings and betterment while under government control are expected to conclude soon. President Harding has also been keenly interested in the railroad adjustment. President on Cruise. WASHINGTON, July 9.—The President and Mrs. Harding are expected to leave Washington late this afternoon for the second week-end cruise down the Potomac on the presidential yacht Mayflower. They will be accompanied by a small party of friends.

John Philip Sousa. This picture of the famous bandmaster was taken a few days ago at his summer home on Long Island, where he is taking a much needed rest.

DEMOCRATS FLAY TARIFF MEASURE

Party Leaders Say New
Emergency Bill Not
What Is Thought.

(By the Associated Press)
Washington, July 9.—Democratic attack on the Fordney tariff bill opened in the house today with Representative Garner of Texas, ranking democrat on the ways and means committee, who asserted that there was "not a republican in the house who can distinguish between this and the Payne-Aldrich bill." Mr. Garner regretted the absence of Representative Kitchen of North Carolina, democratic leader, who is ill, telling the house that Kitchen would have shown the nature of the proposed law "in words that would burn so deep that the republicans would not repeat the offense." He added, however, that there was plenty of ammunition laid away among the democrats. Representative Longworth, republican of Ohio, interrupted to ask if the Texas member had not voted for the agriculture bill last week. "I did," replied Garner, "but I did it blindly, for something to help agriculture." Developments had convinced him, Mr. Garner said, that the emergency tariff bill was not what it was represented to be. It has failed to be of any help to agriculture since it has been operated.

ARMY BALLOONS ORDERED BUILT IS NEW ADVICE

(By the Associated Press)
AKRON, Ohio, July 9.—Closely following the announcement that the Akron rubber factories have increased their tire production to 65,000 casings and 75,000 tubes daily, the Goodyear Tire and Rubber company today announced that it has government orders for three large dirigibles and 38 observation balloons for the army and navy use. Observation and scouting airships of 150,000 cubic foot capacity, each will be built by the navy. A dirigible of similar type but special design will be delivered to the army. This airship will have a speed of 60 miles an hour, it is said. Tire production now is 8 1/2 per cent of the 1914 peak figures.

ADA SCHEDULED FOR GAME WITH CHANDLER TEAM

Chandler and Ada will mix it tomorrow on the Chandler field in their first game this season. Both teams are expected to be in fine shape and the regular line-up will be played by Ada, with Lefty Williams for mound man. The boys will go to Shawnee on the train and to Chandler from there in cars, returning to Ada Sunday night. Several games were played by these two teams last season, Chandler getting the big end of the title. It is believed that Ada will have a much better chance to come out ahead in this game than ever before. A return game will be played at Ada Sunday, July 17.

U. S. CRUISERS ORDERED LEAVE MEXICAN PORTS

(By the Associated Press)
WASHINGTON, July 9.—The situation in the Mexican port of Tampico is not at this time such as necessitates the maintenance there of a naval guard to protect the American interests. This explanation was given in official circles today of the order of the return of the cruiser Cleveland and the gunboat Sacramento, now at that port, to their home stations.

FRISCO NINE DEFEATS ALLEN OILERS, 5 TO 3

ALLEN, Okla., July 9.—(Special)—The Frisco ball club defeated the Allen Oilers in a fast game here Friday afternoon by a score of 5 to 2. Both teams played a good game and it was a pitcher's battle throughout. It was only through the heavy hitting of Frisco, assisted by a series of errors by Allen that allowed the five scores. A large number of Ada boosters were present at the game, having stopped over on their last trip advertising the Ada Trades Day for July 11. Music was furnished preceding the game by the Ada High school band. Better be safe than sorry. Advertise in the News Want Ad columns. Quite an idea, eh?

GETTING RESULTS

When General Dawes of "Hell'n Maria" fame began pushing federal budget plans, the public expected results. It is too early for us to know yet the outcome of his initiative, energy and force, but advance notices from Washington indicate that he will effect a saving of one million dollars a day in the cost of operating our government.

This is a real nest egg with lodestone powers. Add to it the \$92,000,000 the house saved on the senate bill, several more millions Walter Brown's commission will have by means of its reorganization—and this program will be whipped into some sort of working order within another 90 days—a hundred million or so saved by a naval holiday, and it may not be necessary to kill the gold-laying goose. That is to say, taxes can be cut down to a point compatible with business progress.

The business of our federal government is about the biggest and poorest handled business in the world. It is high time that government expenses be cut. Not even the richest of nations can call for six billion dollars or more annually from its citizens and have sane expectations for progress and prosperity. For after all the government's money is only the money of individual citizens pooled. It is not secured by magic, it does not come forth by magic, it does not come forth by wishing. It is toll taken from the earnings of individual citizens.

Washington is a long distance from the scene of our citizens' plan and toil. Washington is a place peculiarly apart, and even a condition afar off, at times suggesting to the innocent taxpayer, nirvana. But Washingtonian isolation does not carry the right to expend without thorough consideration, or to squander.—Wichita Times.

TIME TO ACT

Ada needs more parks. In a few years we shall need several more. The longer the city delays buying ground for parks, the higher will be the cost. A few years ago a tract of ground could have been bought for a song and would have made an ideal park. It is now covered with residences and a church house.

There is considerable vacant property near the most thickly populated districts which could be bought now for small sums. One year from now or three years from now it may be worth twice as much. If there could be provided only enough money for the purchase of the property and none for keeping it up, it would still be a good buy.

Ada has a beautiful little park, well located. It is apparent, however, that it will not serve the needs of all sections. A park should be provided south of the main residential section in the original townsite. Another should be provided in the southeastern part of the city, and still another in the northeastern section.

Of course, eventually an amusement park will be provided and it will make little difference where that is located, in fact it could go to the City Lake. What we need now and will continue to need until they are provided are playgrounds and shade for the women and children in every part of the city. We need also more swimming and wading pools, more flowers and a desire to make Ada a city of health and beauty.

In one of the parks should be provided a camping ground or tourists park, where tourists will be welcome and have water and other conveniences.

The steel manufacturer wants a tariff on steel but insists it will ruin the county if a tariff is put on oil. The oil man insists the country will go to the bowwows if it cannot get cheap steel, but it will not injure any one to pay a bit more for oil. This goes on around the circle. Taken collectively, we are all working for what we think it best for ourselves. Individually this may not be true now and then.

Every man who went on the trades trip Friday is loud in his praise of Allen and Allen people. They were dined and grape juiced and made to feel at home. May Allen and her good people continue to prosper. With Fritz Johnson and Col. J. W. Davis in addition to other boosters there, working for the city's growth, its future is assured.

The man who eats ice cream and green cucumbers has an appetite, but we cannot say much as to his judgment. The Ada man who indulged in these delicacies at the same time says he is a wiser and considerably older man.

The soundness of the Ada banks, as well as others in the county, is shown by the statements which are being published. Through the financial depression which hit the country, the local banks have been able to go through with a record far above the average.

If the proposed republican tariff bill will cause all the products we raise here to go up in price and all the rest in the country to go down, we are for it.

JUST A GENTLE REMINDER TO THE HELP THAT IT'S NO TIME TO PLAY WHILE THE CORN NEEDS HOEING

AUTHOR USES REALISM IN HIS "MAIN STREET"

Thanks to the courageous theories of the prevailing school of fiction, the motor car no longer dodges through the pages of the novel under a shameful alias. The automobile, like an honest man, can now face the world unafraid and tell her right name.

Naturally one cannot write a novel of today without an automobile appearing in its pages somewhere, somehow. Heretofore the authors seemed to labor under the conviction that it was not good form to identify a car by giving its real name.

But now the realists are in the saddle. According to the practices of this school of fiction, if the hero of the yarn shaves himself with a Gillette razor, before venturing into the presence of his beloved, why, hang it all, say so!

One of the best and most popular example of prevailing school

of realism is Sinclair Lewis' "Main Street," the most widely read and one of the most discussed books of the last twelve months.

When the bride arrives at Gopher Prairie, her new home, she is met at the station by her husband's friends. Sam Clark, the hardware dealer, is to have the honor of escorting the bride and groom.

"Let's jump in," says Dr. Kennicott the groom, to his wife Carol. "That big Palge over there. Some boat too, believe me! Sam can show speed to any of these cars from Minneapolis!" And Mr. Lewis doesn't hesitate to name the second car.

Notice, Water Consumers. All water rents are due on the first of each month and those who do not pay by the tenth of the month will be cut off without notice and the water will not be turned on again until all back rents are paid and \$1.00 extra for turning on and off.—W. S. Smith, Comptroller and \$1.00 extra for turning on and off. 7-8-21

Sunday dinner served from 11:30 to 2 and from 5:30 to 8. Fried chicken and all accompaniments. Can you afford to cook at home when this is only 50 cents? Home Dining Room. 7-9-11

"I tell you the News want and certainly bring results," is a statement made every day to the advertising department. Are you getting your share of these results?

Free Cold Bottle of Milk for Many Visitors at Dairy

A bottle of ice cold sweet milk and a sandwich will be served free by the Plainview dairy, located near the city park lake, at the opening of the Boy Scout lodge Tuesday afternoon at 5 o'clock, according to an announcement made this morning by A. B. Meyer, manager. Several hundred bottles of milk will be given visitors.

All visitors going to the opening of the lodge must pass the dairy, which is co-operating in making the lodge opening a success.

A demonstration in the desirable points in a dairy cow will be given at the dairy by County Agent J. B. Hill and Prof. E. A. Pratt, of the Normal faculty, who is connected also with the county free fair. The demonstration will be for the benefit of Boy Scouts interested in agriculture and particularly dairying and will be free to anyone else who wishes to attend, Mr. Meyer said.

A program of entertainment will open at the Scout lodge across the lake, later.

For two bits the News can rent a house for you. For a dollar it can sell a farm. For five dollars it can get you anything or sell anything. Try it.

Turn to the want ad page.

In The Oil Fields

Estimated production in the fields of the Mid-Continent at the close of the past week was as follows: North Louisiana, 71,070 barrels; Arkansas 46,900 barrels; North Texas 132,305 barrels; Kansas 95,000 barrels; Oklahoma, outside of Cushing, Shamrock and Healdton, 230,000 barrels; Cushing and Shamrock 16,500 barrels; Healdton and Hewitt 66,000 barrels; total 718,775 barrels, a loss of 660 barrels in comparison with the preceding week.

The estimated daily production of heavy gravity oil in the Gulf Coast field was 77,045 barrels.—Oil and Gas Journal.

C. J. Skirvin of Oklahoma City, after whom a popular hotel at the state capital is named, and who is an officer of the American Oil & Refining company, was a visitor last week in Pontotoc county. He believes, as do many other oil men, that a real oil field will be opened around Ada.

The Mecca Oil and Gas company drilling east of Stonewall, is nearing the 1000 foot mark and has struck red shale, according to reports today. This formation was encountered at 940 feet and indications are more favorable now than at any time since the well was started, it is said.

WORKERS MARCH
IN N. Y. PARADE

Endeavorers Come Down
Fifth Avenue by the
Thousands.

(By the Associated Press)
NEW YORK, July 9.—Thousands of Christian Endeavorers from all parts of the world swept down Fifth Avenue today singing marching hymns in a great Christian citizenship parade.

The marchers numbered more than 16,000 young men and women many wearing brilliant colors, flying banners and flags and singing all the way to the accompaniment of a dozen bands presenting one of the most unique spectacles ever witnessed in this city.

More than a score of floats were included in the procession, eleven of which depicted scenes or episodes of Bunyan's "Pilgrim's Progress."

Homer Rodeheaver, formerly Billy Sunday's choir leader, pranced up and down the line with his famous liphorn helping the marchers sing.

The marching column was headed by Dr. Francis B. Clark, president of the world Christian Endeavor Society, Wm. Jennings Bryan and other officers.

These were followed in order of winning the national banner for the states with the largest quota attending the convention. First was Colorado, followed by Wyoming, Arizona, Utah, Tennessee, Texas, Oklahoma, and many others.

The parade ended with a citizenship demonstration in Central park where Bryan delivered a memorial address.

PERSHING WILL SPEAK
AT SOLDIER'S FUNERAL.
WASHINGTON, July 9.—General Pershing left today to attend funeral services at Hoboken, N. J., for more than 1,500 American soldier dead whose bodies have been brought back from France. The general will speak briefly at the services.

APPLE GREEN IS
SUMMER FAVORITE

Apple Green is rivaling jade as the popular shade for summer frocks. Here is a pretty afternoon model made of apple green crepe. It is a straight chemise model with insets starting at the waistline of plain accented pleated crepe. The balance of the garment is covered with green cord applied in conventional design.

COULD NOT
KEEP HOUSE

Without Lydia E. Pinkham's
Vegetable Compound, Says
Mrs. Pitts of Newburgh

Newburgh, N. Y.—"My trouble was a weak back and I could not walk two blocks without being tired out. I read of Lydia E. Pinkham's Vegetable Compound in a newspaper and decided to give it a trial. Now I can do my own work and walk with ease. I always keep the Vegetable Compound in the house. It certainly is my best friend and I could not keep house without it. I have recommended it to many and always shall. You may use this letter if you wish."—Mrs. EDWARD PITTS, 2 High St., Newburgh, N. Y.

It has been said that "backache is an invention of the Evil One to try women's souls," but even so, it is more often a symptom of a female trouble which sooner or later declares itself. Day after day it drags a woman down and night after night prevents restful sleep. Such women should follow Mrs. Pitts' advice and try Lydia E. Pinkham's Vegetable Compound, and regain health. Letters about your health will be given careful attention and held in strict confidence if you write to Lydia E. Pinkham Medicine Co., Lynn, Mass. Their experience of over 40 years is at your service.

INVESTIGATE KILLING
OF PONTOTOC CITIZEN

An investigation into the killing of Arthur Johnson of Allen at Coalton early last week has been started at Okmulgee, according to word which reached here today.

Johnson was said to have been shot by officers when he resisted arrest at Coalton.

Charging that officers Joe Clay, Mike Colley and John Powell were intoxicated when they attempted to arrest Johnson and killed him in the encounter, a committee of Coalton citizens is reported to have called upon James Hepburn, county attorney of Okmulgee county, this week and demanded a full probe of the matter.

As the first step toward the investigation, the county attorney filed charges of murder against the three men and their arrests were to be made this week, according to newspaper reports. The committee is said to have labeled as false the report that Johnson was wanted in Illinois for the killing of a president of the mine worker's union and declared that his killing was one of the most cold blooded murders in the history of the county, Hepburn is credited with saying.

That the officers went to where Johnson was and opened fire on him without any warning was the charge made by the committee. One of the officers said immediately after Johnson was killed that he fled from the house firing at them when they went to make his arrest.

If it is battery trouble I can fix it. Kit Carson, phone No. 124. 7-9-16f.

The Boy Scout News

Every Scout should watch Monday's paper for full announcements concerning the program to be given at the opening of the Boy Scout lodge. Try to get your parents to come out at 5 o'clock and see what the scouts have built.

Will Try Scouts

Troop No. 4 took a hike Friday evening and stayed all night on Sandy. Three scouts came in extra early Saturday morning reporting that their camp had been robbed of eats. The suspected scouts will be tried by Scout Master Overturf's Boy Scout Court some time soon.

Be sure and bring plenty of good things to eat in your basket for the supper next Tuesday evening at 5 o'clock, for the opening of the Boy Scout lodge at City Lake.

Baseball Tuesday

We expect to have Allen and Roff here to play baseball next Tuesday morning and afternoon at the Normal grounds. Stonewall and Francis scouts are expected also. In fact every scout team in the county ought to be here for Tuesday's opening of the lodge.

Pay for Badges

All scouts who expect to receive badges of any kind should come to scout headquarters Monday or Tuesday and pay for badges. This must be done before they can be awarded.

If you want to hear something worth while, you will be at the men's Bible class at the American theatre Sunday morning at 9:30. 7-9-1f

News from Allen

W. B. Gillum has been on the sick list this week.

Mrs. C. F. Garrett of northeast of town is reported very ill.

Miss Edith Evans of Gerty was shopping in Allen Saturday.

Miss Juno Malone returned Tuesday from Ada where she had been visiting for several days.

Mrs. Starr Morris left Sunday for Wewoka to spend some days with relatives.

Mrs. L. M. Sears returned to her home at Morris, Okla., yesterday after visiting relatives here.

Mr. and Mrs. L. A. Redwine of Atwood were here this week visiting their son, H. P. Redwine and family.

W. E. Martin returned Tuesday from El Reno where he had been visiting his sons for several days.

Mrs. V. H. Alston of Bokes is here visiting her mother, Mrs. J. M. Lesueur.

Mrs. Arthur Kidwell returned the first of the week from a visit with relatives at Wapanucka.

Mrs. A. L. Sipes returned yesterday from Bennington, Okla., where she had been called to the bedside of a sister who was seriously ill.

Little Miss Allie Philpot and her brother, C. B., of Gerty, are visiting their sister, Mrs. Bryan Gillum this week.

Survey Will Locate Education Needs in State Schools, Plan

(By the Associated Press)
OKLAHOMA CITY, July 9.—J. A. Duff of Cordell, Bishop Edwin D. Mouzon of Tulsa and George F. Sutherland of Enid have been appointed by Governor Robertson as members of the commission which will supervise the education survey of Oklahoma, authorized through an appropriation by the eighth legislature. R. H. Wilson, state superintendent of public instruction, is chairman of the commission. Coupled with the announcement of the appointments, Governor Robertson said he was making an attempt to secure further aid from the Rockefeller Foundation Fund and the American Educational Association in order that the survey might be more exhaustive. The legislature appropriated \$20,000, and similar amounts are being sought from each of the other two organizations.

The commission has for its purpose the survey of all educational institutions in the state to determine the status and needs of any district, if any; recommendations for abolishment where so considered, and a report on all rural and public school work in the state to be made to the next legislature. The survey is expected to be begun just as soon as definite word has been received from the two associations petitioned for funds, the governor announced.

Immense Food Deals May Be Driven Soon in State Contracts

(By the Associated Press)
OKLAHOMA CITY, July 9.—Contracts for meat and grocery products totaling more than half a million dollars for state institutions during the next three months, have been let by the state board of affairs, according to an announcement made here today by George F. Clark, chairman. Purchase of clothing, coal and other commodities for these schools the next quarter will total nearly a million, Mr. Clark said.

Comparison of prices paid for these goods to be delivered during the next three months with those paid for the last six months, and the last year, show all the way from 30 to 100 percent decreases. This is particularly true as it effects meats of all kinds, sugar, flour, beans, rice, coal and other smaller foods.

Forty carcasses of beef, bulls and canners excluded, were purchased for 8 1-4 to 8 1-2 cents per pound—a reduction of approximately 35 percent over the price paid three months ago. Lard and compound was bought for 8 and 9 cents; cream cheese for 16 cents, while bacon showed a similar reduction in price. Contracts for sugar varied from \$6.20 to \$6.40 a hundred, as compared with from \$18 to \$28 in the last year and a half. Beans were purchased for 5 and 5 1-2 cents and rice for 4 1-5 cents, both of which are more than 50 percent lower than prices quoted a year ago.

"Fruits and canned goods have not shown the big reductions that are found in quotations on other commodities," Mr. Clark said. "Purchases of these goods for the next three months showed a very small decline. Flour has also taken a slight jump upward and the \$6.25 paid this week is a trifle higher than that paid three months ago."

Dr. Warner, D. O., the eyesight specialist, will visit Ada every third week; office with Peoples Drug store, 219 East Main street. Have your eyes examined and proper glasses fitted. No extra charge for residence calls. Phone 662 for appointments and date of next visit. 6-22-Imo.

Stonewall News

Fred McCoy was an Ada visitor Tuesday.

Mr. and Mrs. I. H. Strickland and children, Mr. and Mrs. W. H. Lettner motored to Ada Tuesday.

E. F. Porter, Jess Vaughn, Jeff and Luther Correll motored to Sulphur Monday to spend the 4th.

Geo. Hall of Coalgate was a business visitor in Stonewall last Friday.

Mrs. E. E. Blair of Bonham, Tex., is visiting at the home of her son, E. F. Blair.

Mrs. C. R. Lettner and children of Ardmore, returned to their home Wednesday after a two weeks visit with Mr. and Mrs. W. H. Lettner.

Mrs. C. B. Lambert of Allison returned to her home Monday, she was here to attend the Holland-Snoddy wedding. She was accompanied home by Charles Holland.

Mrs. C. A. Acker left Tuesday for Portales, N. M., where she will visit her mother the next few weeks.

Local Man Produces Prize Tomato Plant in His Garden Here

What is said to be one of the finest samples of tomato bush and products ever raised in Pontotoc county was put on exhibition this week by J. B. Hill, county farm agent, in his office in the Chamber of Commerce building.

The tomato plant was raised by J. T. Baum, of the Coffman, Bobbitt and Sparks hardware store, in his garden at 522 W. Sixteenth street. No special care was taken with the plant and pruning was the only method employed to produce the unusual yield, according to Mr. Baum. Sixteen big tomatoes were produced on the one vine, which was only little more than two feet high, and all matured into perfect fruit. The vine was tied up to keep it from being broken by the weight.

Someone said a few months ago he'd put in a tomato canning factory in Ada if he could raise the raw material. I believe that proves we can do the trick," Mr. Baum said today.

Changes Are Shown in Oil Export and Imports to Mexico

(By the Associated Press.)
TULSA, July 9.—A total of 13,680,732 barrels of petroleum was exported from Mexico in the month of May, according to the Tulsa correspondent of the Oil and Gas Journal, released here. In comparison with the exports of April, a decrease of 1,833,607 barrels is shown. Compared with the month of May, 1920, exports of May, 1921 show an increase of 1,628,164 barrels.

Shipments to the United States in May, 1921, aggregated 9,415,960 barrels, or a loss of 1,182,960 barrels in comparison with the preceding month, the Journal's correspondent states. This loss is attributed to the seaman's strike and to a falling market in the United States.

All major companies exporting oil from Mexico caused shipments on July 2 on account of the export tax recently levied by President Obregon. Exporters of Mexican oil claim the tax is confiscatory.

The Ada Fruit and Candy company is opening up a new additional place on West Main in old News Stand. We have also received a new shipment of East Texas Elberta peaches. This is going to be an absolutely first class confectionery, and we cordially invite you to visit us. Ada Fruit and Candy company. 7-8-2t

The Home Dining Room is run to cater to your wants. Try the big chicken Sunday dinner and save the kitchen work. It's just as cheap. 7-9-1t.

...And so it will be until the end of time. Men fighting the good fight, all struggling toward the one goal, "Financial independence and happiness."

Some will succeed, more will fail, some will arise and go on, others will turn back. Those who fail will say of those who succeeded, "I wish I had done as he did."

Don't be one of that kind, you can protect yourself against it by doing the wise thing. Save and put your money to work for you. Invest conservatively, and where your money is safe with a good return.

The only reason Jones owns his own home and drives his car, while Smith is down and out, is because Jones did the wise thing. You can't eat your pie and have it.

Farm Clubs to Hold Annual Congress at Aggie School Soon

(By the Associated Press)
STILLWATER, July 9.—Fifteen different agricultural and livestock organizations of the state will hold conferences here during the week of August 24 to 31, when the Oklahoma Farm Congress will be in session on the campus of the Oklahoma A. and M. college. Between 3,000 and 4,000 farmers and farm women, it is estimated, will attend.

New plans for this year's congress

include the adding of short course features for farmers and farm women. Courses in home economics, canning and kindred subjects will be as prominent on the program as themes relating to livestock and field problems.

Short course, in the various college departments, will be offered each from 10 to 12 o'clock. Two general sessions each day—from 8 to 9:30 o'clock in the morning and from 7:45 to 9:30 in the evening—will be held, in which noted speakers will discuss problems that are being met continually on the farm.

The hours from 1:30 to 3:30 will be devoted to agricultural and livestock association conferences; those between 2 and 4 to observation trips over the college campus and farm. Camping privileges on the college campus will be granted to those farmers who wish to drive through and camp during the week. All conveniences of the college, including both dormitory and cafeteria, also will be available to farm congress visitors.

You will save money by reading the ads.

GREAT TOMATO COUNTRY SAYS HENRY MCGEE

Henry McGee, who lives near the city, says that this is a wonderful tomato country. He brought into the News office four large Bede tomatoes, as choice a morsel as human beings ever tasted. This variety is new here but is making heavy yields, the grower selling quantities daily. Mr. McGee is a progressive farmer who has something to sell most of the year.

PAIGE

The Most Beautiful Car in America

Rock Bottom In Price

The motor of our five passenger "Glenbrook" model has a wholesome respect for the dollar bill. It extracts the last atom of energy from a gallon of gasoline and delivers only care-free, untroubled mileage.

Its first cost is amazingly low—only \$1635 since the reduction in June. And, with the "Glenbrook", first cost is last cost because it is blessed with a constitution that defies the repair shop.

It will pay you to adopt this stout-hearted light six. You can buy it with absolute confidence because it is at rock bottom in price and peak position in quality.

Don't fail to hear Dr. Linscheid in his masterly address to the men's Bible class at the American theatre Sunday morning at 9:30. 7-9-11d*

LEAVENWORTH, Kan., July 9.—Jack Johnson told newspaper reporters that he would go into the ring soon and declared he was bent on wrestling the championship from Jack Dempsey.

"It doesn't make any difference what Dempsey says about drawing the color line. The public wants Dempsey whipped," the negro said, "and the public knows that I am the one to do it."

"I have a war record to be proud of," he continued. "I offered my services to the government for military service during the war but I was not accepted." He declared that he did secret service work for the American government in Spain during the war. His activities were at Madrid and Barcelona. "My war record," he said, "will stand investigation."

BILIOUS CHILDREN

Black-Draught, Long in Successful Use, Praised by an Arkansas Mother, "Soon Does Its Work."

Marmaduke, Ark.—Speaking of Theford's Black-Draught, which from long use in her household has become regarded as "the family medicine," Mrs. Mary E. Hill, of Route 1, this place, says:

"When the children get bilious, I give them a couple of good doses, and when we have sour stomach, headache, or any liver or stomach trouble, we use Black-Draught. It is an easy laxative, and soon does the work. I certainly think it is one of the best remedies made."

Black-Draught acts on the faded liver, gently, but positively, and helps it to its important function of throwing out waste materials and poisons from the system. In thousands of households Black-Draught is kept handy for immediate use in time of need. Prompt treatment often is half the battle, and will often prevent slight ills from developing into serious troubles.

Its well-established merit, during more than 70 years of successful use, should convince you of the helpful effects obtainable by taking Black-Draught for liver and stomach disorders. Get a package today, and keep it in your house. See that the package bears the words, "Theford's Black-Draught." NC-141

"Dempsey Is Not Liked"

Black Fighter Says Leaving Pen.

(By the Associated Press)

LEAVENWORTH, Kan., July 9.—Jack Johnson told newspaper reporters that he would go into the ring soon and declared he was bent on wrestling the championship from Jack Dempsey.

"It doesn't make any difference what Dempsey says about drawing the color line. The public wants Dempsey whipped," the negro said, "and the public knows that I am the one to do it."

"I have a war record to be proud of," he continued. "I offered my services to the government for military service during the war but I was not accepted." He declared that he did secret service work for the American government in Spain during the war. His activities were at Madrid and Barcelona. "My war record," he said, "will stand investigation."

Referring to his battle in Cuba with Jess Willard when he lost the championship, he said:

"At that time I had to do what I did. When I am dead and in my grave they'll see some snake coming out of the ground and it will be from my bones which are hot yet from that fight."

Johnson said he had not yet yet signed any contracts for bouts and would not do so until he goes to New York.

"I am in the best shape of my life," he declared. Prison records show that he gave his age as 42 when he entered last summer.

IN SOCIETY

A most enjoyable picnic was held at Glenwood park Wednesday afternoon of this week by the training school pupils of the normal and their instructors. Swimming and games were had after which a lunch was spread for all. The affair proved very successful and the young pupils enjoyed themselves to the utmost.

Instructors who accompanied them were Misses Watson, Bradford, Bagley, Mitchell and Mr. Dawson. Messrs. Mitchell and Bray. Other guests present were Miss Hutchinson, Mr. Bryan, Mr. Mitchell and Prof. M. B. Molloy.

Mrs. H. W. Wells entertained with a luncheon and bridge at her home, 109 West Fourteenth street, at 1 o'clock Friday afternoon in honor of Misses Katherine and Eliza King, of Florence, Ala., who are in Ada visiting their aunt, Mrs. L. M. King. Others present at the luncheon were Mrs. W. K. Chaney and Miss Ophelia Gray.

Mr. and Mrs. W. L. Reed of New Wilson were in the city Friday, visiting their son, Gilbert, and family. Mr. Reed reports that business is good in Wilson, though it has dropped greatly since the slump in the price of oil.

Mrs. Frenchie Davis of Dallas, Texas, is here visiting Mrs. Jess Hays at the Arcade.

Mr. and Mrs. J. Gilbert have just returned from Carthage, Mo., where they spent several days visiting relatives.

Miss Helen Jordan left Friday afternoon for Ardmore where she will spend the week-end visiting relatives and friends.

Miss Jewell Newton left today for Stonewall where she will spend the week-end with home folks. She is attending the summer Normal.

Don't fail to hear Dr. Linscheid in his masterly address to the men's Bible class at the American theatre Sunday morning at 9:30. 7-9-11d*

LEAVENWORTH, Kan., July 9.—Jack Johnson told newspaper reporters that he would go into the ring soon and declared he was bent on wrestling the championship from Jack Dempsey.

"It doesn't make any difference what Dempsey says about drawing the color line. The public wants Dempsey whipped," the negro said, "and the public knows that I am the one to do it."

"I have a war record to be proud of," he continued. "I offered my services to the government for military service during the war but I was not accepted." He declared that he did secret service work for the American government in Spain during the war. His activities were at Madrid and Barcelona. "My war record," he said, "will stand investigation."

Referring to his battle in Cuba with Jess Willard when he lost the championship, he said:

LAST ARGUMENT

IN CASE TODAY

Both Sides Rest on Trial of Nurses for Death of Devereaux.

(By the Associated Press)

TULSA, July 9.—Both sides rested in the case of Mrs. Jesse James and Goldie Gordon, on trial for the alleged murder of Judge John Devereaux, former member of the supreme court commission, shortly before noon today. The defense closed the case without putting the accused women on the stand. The state announced that it had no rebuttal testimony to offer. District Judge Rockman Cole announced a short recess to complete his instructions to the jury.

Goldie Gordon was in the court room before the morning session opened and showed the effects of the illness which halted the trial late yesterday afternoon. She had not fully recovered, friends said, but was ready for the trial to go on.

The defense was blocked this morning when they attempted to introduce a nurses license in behalf of Mrs. James. The state claimed that there was a discrepancy in the spelling of the name on the certificate and that of the defendant and the court sustained the objection to withhold it from the jury.

Judge Cole recovered the court after recess following the consideration of the testimony and the reading of instructions to the jurors. Among them the state attached much importance to the instruction that the jury could find the accused women guilty of manslaughter on a charge of culpable negligence in caring for the judge. They are charged with murder. It is reported that the state will point heavily to that in the argument. Final argument began at 1 o'clock.

America Unafraid

To the graduates of the Annapolis Naval Academy President Harding said:

"I want you to help make this a Republic of conscience, a Republic of sympathy, strength and high ideals—America unafraid."

On the books of this Institution are written the records of individual citizens who are doing their part to make this community representative of America's strength and high ideals.

This is America's birthday month. Why not observe it by adding substantially to your bank account—for strength?

(First Part) The world should praise God with gladness—Loyal Sneed.
Reading—Nina Collins.
(Second Part) Praise a duty as well as a privilege—Josie McManus.
(Third Part) Praise God because of what He is—Mr. Hynds.
Closing song.

First Baptist Church

Sunday School opens at our church at 9:45 tomorrow. Mr. J. A. Ridding is superintendent. We had 632 present last Sunday. We believe we can maintain an average of above 600 until August 31st, that we will win in the contest over McAlester and Durant. We are in the lead now and we must remain there. We have classes for all ages and a splendid corps of teachers.

The pastor is engaged in a revival meeting at the old tabernacle at Sixth and Johnson streets, under the auspices of the Oak Avenue Baptist church. Our services will be held tomorrow at eleven o'clock. We want to urge all our people to come over there for the services after Sunday School is over at the church. The subject will be "Better Acquaintance With Jesus." Let's pack the tabernacle at that hour.

The B. Y. P. U. will all meet at 7 o'clock at the church as usual and dismiss a little early in order to get to the tabernacle at 8 o'clock for the evening preaching hour. The subject will be "The Flood, a Type of the Judgment." Let all our people be present at that service.

We cordially invite all visitors and strangers in the city to come to the meeting. It is a nice cool place and comfortably seated. The singing is marvellously fine under the direction of Mr. Edmiston. Let us greet you there.

Glynn Calhoun, Morris, Pastor.
Baptizing will be held at the First Baptist church Sunday afternoon at 2:30 for all candidates; both those who were converted and joined the church during the First Baptist revival recently, and those who have been converted in the Oak Avenue Baptist revival.

Men's Bible Class

The Men's Bible Class of the First Baptist Sunday School will meet at the McSwain theater at 9:30. We had 150 present last Sunday. Durant had 135 in their class last Sunday. Mr. Ellison will teach the class tomorrow. Let's have two hundred men to greet him.

We have plenty of song books and it is an inspiration to hear this great group of men sing the old songs. May we have the pleasure of extending to you the glad hand there at 9:30?

C. C. Morris, President.
J. T. Braly, Secretary.
At the Presbyterian Church Sunday, July 10, 1921.
Sunday School, 9:45 a. m.
Preaching services at 11 a. m. and 8:15 p. m. conducted by Dr. Ralph J. Lamb of Tulsa.
Senior Endeavor at usual hour. All members of the congregation are urged to be present. Everyone has a welcome here.

Christian Church

Bible School 9:45 a. m.
Morning service 11 a. m.
Junior C. E. 2:30 p. m.
Senior C. E. 7 p. m.
Evening service 8 p. m.
Hot? Yes, a little, but who cares? If you come to Bible School the electric fans will make you forget all about it and if you need it the teachers will see that you get a good palm leaf fan. Come and enjoy the day with us.
Our financial secretary urges that all back pledges be paid Sunday if possible.

Methodist Church
"Royalty and Loyalty" will be the pastor's subject Sunday morning at the 11 o'clock service. His evening subject will be "When the Cross Roads Cross the Third Time." Those who have read, "When the Cross Roads Cross Again" will be especially interested in this subject, while all will be blessed and helped who hear the pastor on this subject. All the Methodists of the community are urged to be present at every service Sunday and an earnest invitation is extended to every one to attend these services. The Sunday School meets at 9:30 a. m. The

Epworth League meets at 7 p. m. A hearty welcome to all. There will be special music at the preaching services and at the Epworth League service. R. C. Taylor, Pastor.

Christian Men's Bible Class
Are you going to be one of that large number of live wires that attend Dr. Linscheid's Bible class Sunday morning. They meet at the American theater each Sunday morning at 9:30. They have a good cool place to meet, too. A special number of some kind each meeting. You will enjoy it just like the rest who go if you will try it once. Then come with the bunch up to the church services afterward.
Features of the service at the class will be a talk by Judge Orel Busby and a vocal solo by Prof. James O. Leach of the Normal faculty.
H. M. WOODS, Pastor.

Christian Endeavor

Topic—"What is Our Reasonable Service."
Leader—Virginia Abney.
Song.
Prayer.
Program:
How can we know what is our reasonable service?—Don Evans.
In what ways is a good secular work a model for religious work?—Thelma Roberts.
How alone can we find satisfaction in our Christian service?—Taylor Mitchell.
What is one hindrance in the way of Christian service?—Eddie Mae Horn.
Song.
How does our Christian Endeavor pledge aid us in performing our reasonable service?—Kathryn Wilenzick.

What is one foolish excuse for not doing our work for Christ?—Grace Mooney.
How can we make our consciences more sensitive regarding our reasonable service?—Clara Rayburn.
How is good work for Christ rewarded?—Wilma Chislett.

Christian Science

Services at 11 a. m. at 111 North Broadway. Subject: Sacrament. Golden Text: Hebrews 13:16. To do good and to communicate forget not; for with such sacrifices God is well pleased.

Epworth League

July 10, 7 p. m. ---
Songs.
Subject: "Consecration of Our Bodies, a Reasonable Sacrifice."
Leader—Fannie Mae McCain.
Scriptural reading: Romans 12:1-8 and prayer—Rev. Taylor.
Vocal Duet—Violet Moore and Lucile Chapman.
Sacrifice and joy—Mrs. Keltner.
Denying self—Burgess Steed.
Giving all reasonable—Laron Malloy.
Rising Sacrifice—Wilson Sadler.
Does God ever ask unreasonable things?—Velma Jordan.
Thoughts for development—Lillie Terry.
Piano Solo—Hazel Rollow.
Benediction.

Two Are Fined

Horace White was fined \$24.75 this week by Police Judge Kitchens on a charge of speeding.
John Henry was confined to jail today on default of payment of his fine of \$14.75, placed against him for alleged drunkenness and destroying jail property.

PROMISE \$5,000,000 FOR COTTON CREDIT

(By the Associated Press)

OKLAHOMA CITY, July 9.—That there will be no difficulty in working out the details of financing the 1921 cotton crop of the members of the Oklahoma Cotton Growers association is the opinion of leading bankers of the state expressed Friday. This optimistic feeling was the unanimous expression of the members of the special bankers' committee recently appointed to co-operate with the cotton association in working out the financial problems.

The committee was in joint session Friday with the executive committee of the cotton association in the latter's office here. The meeting was called to discuss plans for financing the coming cotton crop by the banks of the Oklahoma cotton belt.

"The committee is of the opinion that, with the volume of collateral security to be held by the Oklahoma Cotton Growers association, it will have no difficulty in working out its financial plans with the assistance of the bankers of the state," said D. S. Wolfinger of Hobart, president of the Oklahoma Bankers' association.

"The banks of Oklahoma will endeavor to formulate a plan," Wolfinger continued, "whereby they can handle the business of the association in the same manner as that of the street buyer. The committee is making arrangements for a line of credit for the association among the bankers of not less than \$5,000,000."

STORES TO BE ASKED TO CLOSE FOR HOUR

The stores of the city will be asked to close at 5 o'clock Tuesday in order that all may have an opportunity to visit the bank house of the Boy Scouts at City Lake, according to officials of the Lions Club. The merchants will be seen early Monday to ascertain their attitude in the matter.

The officials point out that the stores close for round-ups and such affairs and that they ought not to object to giving an hour to encourage the boys of the community in outdoor and healthful living.

What! Another Tailor? Shop In Ada?

Yes-sir-ee, and she's going to be a humdinger and a plumb good one, too.

We are opening a place upstairs over The Model, where we will be prepared to serve our patrons with the best work in the shortest possible time.

Fact is, we shall endeavor to set a new high-water mark of efficiency in the clearing business. "Good work is NOT our motto—it's our BUSINESS."

Our friends and former patrons are invited to call. True, we are upstairs, but you'll find this "the stairway that leads to better appearance." The sooner you connect with Phone 978 for tailoring, the sooner you'll enjoy real satisfaction in service.

THE BROADWAY TAILORS

EFTON L. EDWARDS, Prop.

We Are Glad We Came!

We did not decide to leave Hollis and come to Ada to "Just be going somewhere." It was after a thorough investigation that we were made to believe Ada is the BEST TOWN IN THE STATE. The courtesy shown us by her citizens is proof of her hospitality and the fact our dining room has been open just fourteen days at nine o'clock today and that we have served one thousand, nine hundred forty-four meals is proof of our having made no mistake viewing the change from a financial point of consideration.

ADA, WE THANK YOU

We invite you to try our fried chicken dinner tomorrow. Meals will be served from 11:30 a. m. to 2:00 p. m., and from 6:00 p. m. to 8:00 p. m. Breakfast from 6:00 to 10:00 a. m.
